From: City Business Manager Joe Don Dunham

Subject: Public Notice on Cemetery Streets

---

The City of Alva will be working to upgrade the main entrance to the Alva Municipal Cemetery. City staff will be milling the entrance from Flynn Street to the Cemetery Office. Once the milling is complete the City of Alva will replace the first 60 feet of the drive with concrete and the remainder will be a new chip seal street. Please refrain from using the main entrance during this period of repair. This project should take no longer than two weeks to complete.

“My mission is to enhance, support, and encourage the City which I serve, while communicating and demonstrating effective leadership through my actions.”
