Reminder:

As part of State Statute, Section 1, Chapter 206, Section 43-109.2,

BEFORE issuance of a Residential Building Permit, the City of Alva shall obtain from the contractor, **proof of liability insurance AND workers' compensation insurance or a workers' compensation exemption verification document** in an amount required by the Construction Industries Board and that.

Also stated in State Statute, Section 1, Chapter 206, Section 43-109.2

Not included under the definition of a residential building permit are a single-family or a duplex carport, patio cover, storage building, accessory building, pool, or fence. The above stated provision shall not apply to a person or persons performing the construction or remodeling to his, her, or their own single-family or duplex structure on their own property regardless if the construction or remodeling is to a single-family or duplex structure that is also for rental purposes.

You may read this State Statute in its entirety under the City Inspector page on our website. www.alvaok.org
